Editor's Note

Due to publication delays caused by moving the *Himalayan Research Bulletin* to University of Washington, we are publishing Volume 11 as a triple issue. We apologize to the membership for the publication delay. We were overwhelmed by the number of conference papers, dissertations, and publications that have emerged in the 1990-91 time period.

This issue focuses on the new constitution of Nepal. We would like to thank the Embassy of Nepal for permission to reprint the constitution. The upcoming special edited issue will focus on Community, Place and Person, the guest editor will be Mary Deschene, Bryn Mawr College.

We continue to depend on both member subscribers and contributing editors for voluntary submission of newsworthy material, reviews or articles.

Cover: Nāsa:dya:, Newar god of charisma, music and dance; traditional temple curtain painting.
