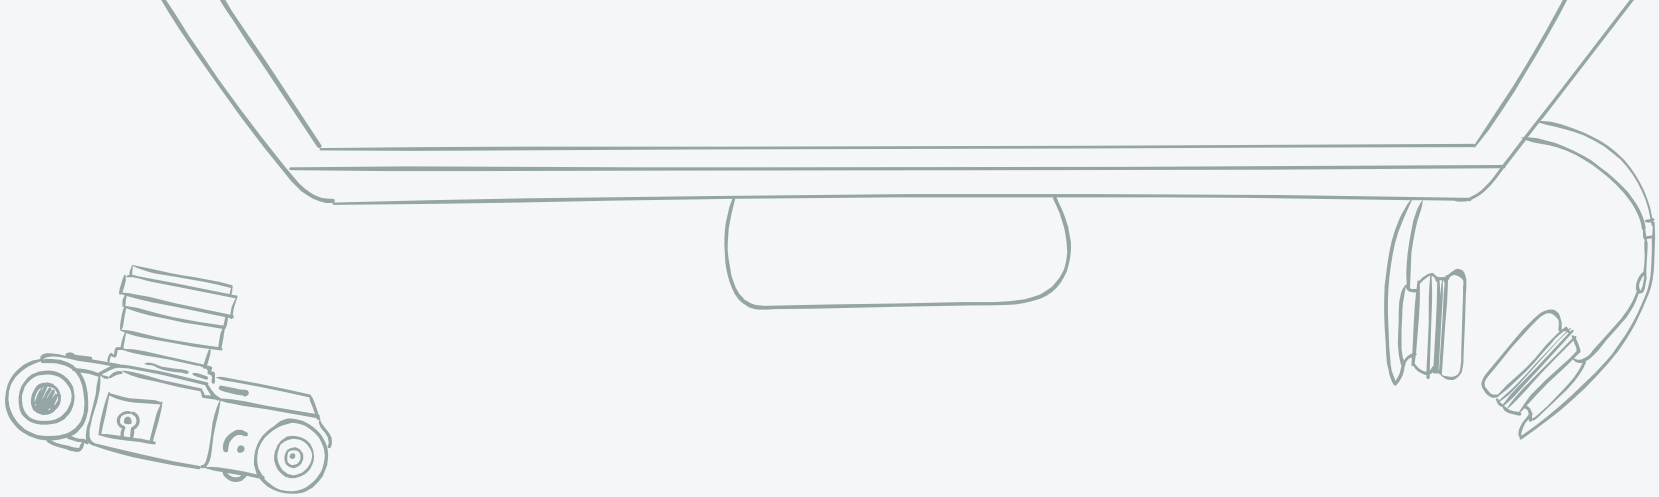
IGNORANCE IS NOT BLISS.
LITE Office at Beloit College



We finally solved the problem by collaborating with our technical services department.

Where Do I Start?

This guide is dedicated to assisting in the reduction of printing on campus. Check back often as new strategies will be added as they become available. Share your methods below in the feedback area.

Accessibility -- Recommendations and strategies for making class materials more accessible.
Scanning -- Guidelines and recommendations for how to create the best PDF possible.
Reading -- Resources about reading and retention of digital information.
Note-Taking -- Recommendations for tools to assist taking and organizing notes.
Saving and Sharing -- Recommendations for ways to save and share PDFs.
Grading -- Steps for instructors on how to annotate or mark-up a PDF submitted for an assignment in Moodle.
Other Tools -- Links to mobile apps and sites that may assist you as you work with PDFs.

OPPORTUNITIES

Takeaways

- ✖ Institutional support
- ✖ Team building
- ✖ Geographic space
- ✖ Creative thinking
- ✖ Faculty outreach

What are your ideas?

What are your current collaborations?
What are your wishlist collaborations?
How do you manage expectations with faculty?
How do you address bandwidth issues (not wifi)?

Thank You!
