LIBInstagram

Instagram is a simple way to capture and share the world's moments. Transform your everyday photos and videos into works of art and share them with your family and friends. Available in the Apple App Store and the Google Play Store.

Hipstamatic

Shooting classic provides beautifully rendered skeuomorphic cameras that transform your experience as you swipe through lenses, flashes, and films. Offering the ultimate control for every mobile photographer, ProMode™ gives shooters complete control. Available in the Apple App Store.

PicTapGo

PicTapGo includes over 70 photo effects and allows you to layer filters and save your own custom filter recipes. PicTapGo includes film and vintage filters, crisp black and white and beautiful color effects. Available in the Apple App Store.

Layout

Create fun, one-of-a-kind layouts by remixing your own photos and sharing them with your friends. Choose photos from your camera roll or use the built-in Photo Booth to take photos and instantly see them laid out in various combinations. Available in the Apple App Store and the Google Play Store.

VSCO

VSCO is the premier way to shoot, edit, and share your photographs. Provides creative control with the ability to separate the exposure from the focus along with other advanced camera controls like manual focus, shutter speed, exposure compensation, and ISO. Available in the Apple App Store and the Google Play Store.

Over

Over is a simple way to add text and artwork to your images. With recent updates it also allows limited image editing. Available in the Apple App Store.

BigLens

Big Lens gives you the ultimate in focus and filter tools for your mobile device. Whether you’re a novice or pro photographer, Big Lens is your secret weapon that will turn your mobile device into a SLR camera. Available in the Apple App Store and the Google Play Store.

Touch Blur

Make a part of the picture blur with a touch of your finger. Available in the Apple App Store.

FaceTune

Every photo could use a touch up. Facetune provides easy-to-use, powerful tools (previously reserved only for the pros) to perfect every photo or selfie, making each one look like it came straight out of a high-fashion magazine. Available in the Apple App Store and the Google Play Store.

Snapseed

This app brings to your mobile device the power and control of professional photo editing software, previously only available on the desktop. Now with the tap of a finger you can retouch, adjust perspective, re-edit, and more. Available in the Apple App Store and the Google Play Store.

Boomerang

Boomerang from Instagram makes everyday moments fun and unexpected. Create captivating mini videos that loop back and forth, then share. Available in the Apple App Store and the Google Play Store.

Hyperlapse

Create amazing time lapse videos with Hyperlapse. Using Instagram’s in-house stabilization, Hyperlapse shoots polished time lapse videos that were previously impossible without bulky tripods and expensive equipment. Available in the Apple App Store.

Splice

Easily create videos and slideshows, with no length limits, watermarks, or ads. Includes free filters, songs, sound effects, text overlays, transitions, and precise editing tools. Available in the Apple App Store.

Tempo

Get creative with the tempo of your videos by slowing them down and speeding them up while they play in real time. Available in the Apple App Store.

Stop Motion Studio

Create beautiful stop motion animated movies anywhere instantly on your device. Cool themes, titles and sound effects are easy to add, too. Available in the Apple App Store, the Google Play Store and the Windows Phone Store.
