Membership and Subscription Information

The Himalayan Research Bulletin replaced the Nepal Studies Association Newsletter which began publication in 1972. The Himalayan Research Bulletin publishes current news and information of scholarly and research interest in all fields relevant to the Himalayan areas of Asia. The HRB is published three times a year and a subscription is included in the membership dues of the Nepal Studies Association. Membership is US\$10.00 for individuals (US\$7.50 for students), and US\$20.00 for institutions. There is a US\$12.00 surcharge for airmail delivery. Back issues are available from the editors for US\$2.00.

The editors encourage the submission of materials for publication: news on recent publications, short articles, reviews, news and information of interest to Himalayan specialists, conference reports, research grants, abstracts of research proposals and research results, dissertation abstracts, bibliographies, etc.
