XII. NEW MEMBERSHIP INFORMATION

(Please complete and return to the Editors—see inside cover for address)

The Himalayan Research Bulletin must update its information on old members. We would also like to expand our circulation to new members. Since the time of the original Nepal Newsletter, research and other work in the Himalayas has burgeoned. We need more accurate information about the present activities and interests of members and others committed to the Himalayas. Please answer the following questions. We will be including lists of members as we receive responses.

Please print or type clearly:

Name

Address

Phone
